Richmond VMAC SCI Expo

Friday, September 18, 2009

10 am to 2 pm

McGuire VA Medical Center

Richmond, VA

Spinal cord injury is a devastating event which influences every aspect of an individual's life and the lives of their family and friends. In the US, there is an estimated 260,000 to 1.2 million individuals living with SCI. Often a lack of exposure to services for this population limits individuals lives. This Expo is designed to showcase the numerous services and opportunities available to individuals with SCI. Featuring a variety of topics including Sports & Recreation, Home Health, Assistive Technology, Transportation, and Vocational Rehabilitation, among others. Looking forward to seeing you there.

Highlights Include:

- ◆ A comprehensive tour of our state of the art research facilities
- ◆ Educational opportunities
- ◆ Equipment and service representatives for SCI
- ◆ Resources and opportunities for SCI patients
- ◆ Wheel chair basketball
